OPEN

- Buy and bring 3 litre of 'full-cream' milk – leave receipt in money tin and take money to reimburse yourself. This milk is for tea and coffee in the clubhouse for the day (juniors and seniors).
- If the clubrooms are locked when you arrive at courts, there is a set of keys at Mel's place in Summertown – a two minute drive from the club. Call Bryn on 0416 152 553 for details if required.
- Unlock clubrooms. Check if there are sausages and bread in fridge. If not, take some out of freezer to defrost [can use microwave].
- Place BBQ and fold up trestle table outside (both are inside clubhouse or storeroom) under the veranda.
- Display canteen open sign around veranda post near BBQ so it's clearly visible.
- Open roller door and place canteen items on the counter (all items are in big cupboard).
- Money tin is in fridge or freezer. It should be locked – key is on hook under counter in corner of kitchen.
- For BBQ: slice onions and take serviettes, sauce (in fridge), bread etc. outside onto trestle table.
- Fill the kettle with water and put tea, coffee and sugar on bench near Nespresso machine.
- If gas bottle runs out swap the empty gas cylinder with a new/full one at the Ashton Co-op. Reimburse yourself and leave receipt in money tin.

CLOSE

- Continue to cook more sausages and onions as required - may need to defrost more in microwave.
- Ensure all dishes are washed and returned to cupboards (tea towels are in second drawers).
- Around 12:15ish start cleaning BBQ, MAKE SURE GAS BOTTLE IS TURNED OFF, place BBQ with cover/lid, table and sign back inside. BBQ can go in tennis storeroom [vine side roller door] or inside clubrooms if easier.
- Return canteen goods to cupboard. Lock money tin and return to fridge.
- Please leave clubhouse and surrounds clean and tidy.
- Senior players will begin to arrive at 12.45pm. If you need to leave prior that time - lock clubroom/storeroom and return key.
